*Frances Wilson Frances Wilson Gail Crowther Susan Cushman Richard J. Finneran Jonathan Ellis Julia Horn Minnie Earl Sears Institute for Scientific Information (Philadelphia) Arthur James Wells Miranda Lee*

we have all surrendered ourselves to the world that writing creates  
eudora welty once observed that her mother read the works of charles dickens in the same spirit with which she would have eloped with him  
some of us remember our first novel with more pleasurable vividness than our first kiss  
many of us go to on line chat rooms looking for love with our keyboard  
and most of us have tried to seduce with words reciting that shakespeare sonnet or composing that valentine s day poem

with tremulous hope all writing seeks to ensnare the reader in its embrace as frances wilson also proves in this engaging enlightening and provocative new book writing can also ensnare the writers themselves highlighting the lives and loves of celebrated literary couples literary seductions reveals the depth of their passion for language their own as well as their partner s taking as a point of departure the legendary courtship of robert browning and elizabeth barrett a courtship conceived on the printed page wilson explores how easily how seductively literary desire becomes sexual desire and vice versa literary seductions she writes are violent extreme and irreversible not all reading seduces not all writing inflames but when they do what is written ceases to be merely an arrangement of symbols on a page the word has been made flesh lady caroline lamb and lord byron anaïs nin and henry miller laura riding and robert graves osip and nadzheda mandelstam w b and georgie yeats were all in the grip of a compulsion for writing and reading enmeshed in words miller called his relationship with nin a literary fuck fest for riding and graves it took on the self destructive and self conscious melodrama of a russian novel for the mandelstams it was a life giving if self sacrificing bond in a precarious world for george and w b yeats it offered sexual stimulus the couplings of verbs and nouns do more than precede coupling they comprise it literary seductions is itself a seductive book the elegant power of wilson s arguments the rigor of her research and the delights of her prose enthrall the reader here is intellectual engagement and readerly pleasure rolled into one

the reader s love of the writing tends to become indistinguishable from his love of the writer beautiful writing has exercised its intoxicating power over readers since time immemorial and yet on occasion this seduction extends beyond the page and sparks an irreversible connection between author and reader this is a true literary seduction in literary seductions frances wilson demonstrates how some of history s most renowned writers were themselves ensnared by the writing they consumed and which in turn consumed them through a series of famous literary couples elizabeth barrett and robert browning anaïs nin and henry miller osip mandelstam and his wife nadezhda wilson evokes the evolution from literary seduction to sexual desire with stories of self sacrifice self effacement and even self immolation literary seductions recounts the powerful inflammatory and sometimes destructive nature of literature

primary research exploring why many of sylvia plath's readers become so attached to her as a cultural figure an innovative and theoretical approach to the relationship between author and reader previously unpublished photographs a creative exploration of ways in which fandom can manifest itself the haunted reader and sylvia plath takes an unusual approach to studies on this enigmatic literary figure focusing on the readers rather than the historical figure herself working from the premise that plath is a highly visible cultural figure this book explores why her readers become so attached to her why does she have such a large and devoted following what is it about her that attracts people and once they are drawn in how does this fandom manifest itself this book is based on primary research carried out by the author who has collected stories and accounts from readers of plath and explores key areas such as the first encounter with plath ways in which fans feel they double with her pilgrimages that they make to places where she lived and worked how they interact with her images and how they respond to objects owned by plath this study is unique and there is no other book that deals with this subject as such the haunted reader and sylvia plath offers a fascinating and original approach not only to plath scholarship but to the increasing body of literature on fandom studies illustrations 13 black and white photographs
